## CRUISE HIGHLIGHTS

### TRACY ARM

(SCENIC CRUISING)

Enjoy an intimate connection with nature as you weave your way through this narrow waterway laced with waterfalls. The towering granite cliffs and domes are reminiscent of California's Yosemite, but the twin Sawyer Glaciers are pure Alaska.

### JUNEAU

Journey back in time to the fascinating spot where Joe Juneau and Dick Harris found "streaks running through the rocks and little lumps as large as peas or beans." The gold didn't last, but Mendenhall Glacier and the attractions of frontier Juneau continue to draw adventurers from around the world.

### KETCHIKAN

Stroll down historic Creek Street to Dolly's House. Or venture outside town to see a forest of hand-carved totem poles. Southeast Alaska's "First City," built out over the water and set amidst the country's largest national forest, is also your gateway to Misty Fjords National Monument via floatplane.

PORT ORDER MAY VARY FROM SHOWN.
